SUMMER HOLIDAY HOMEWORK

Session 2020-21

CLASS KG

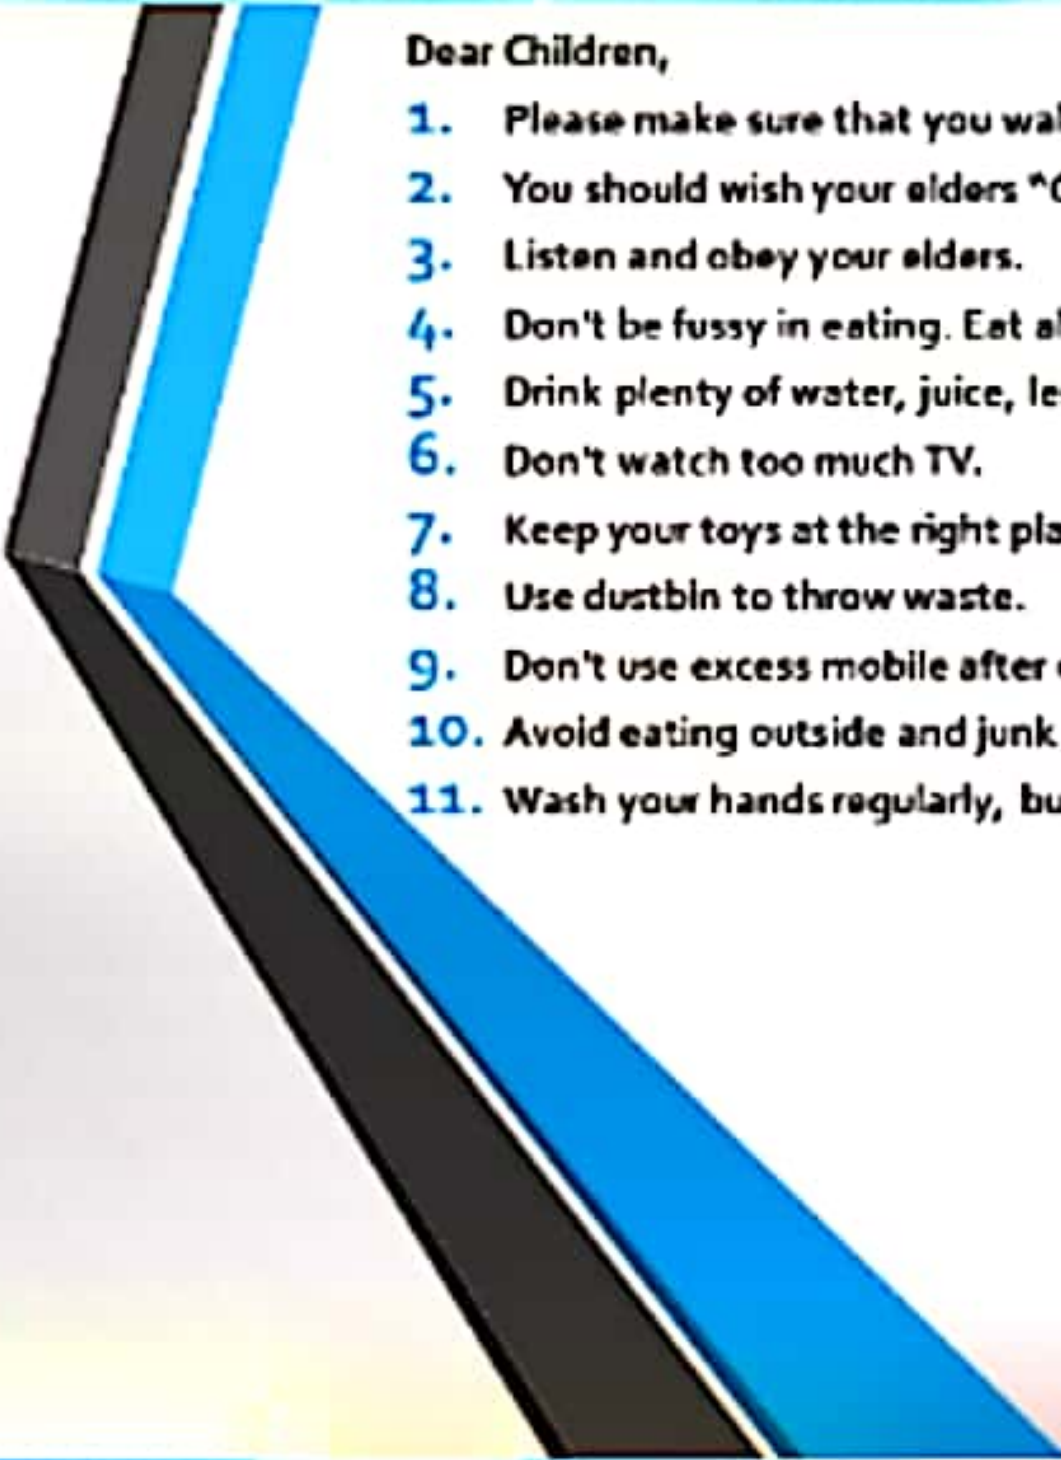

A message to Parents

Dear Parents,

Summer time is fun time for all the children as well as parents as it enables you to spend quality time with your child. I hope you all are getting plenty of time to spend with your tiny tots. We know that this time is difficult time as the entire world is facing a completely unprecedented crisis due to spread of NOVEL CORONA VIRUS. I request you to **STAY HOME STAY SAFE** and to make this vacation fruitful we have planned the activities that will keep the children engaged, help channelize their energy and at the same time improve their concentration, motor skills and promote independent learning.

Kindergarten classes are the classes where kids gain confidence by attaining perfection in both, fine motor skills and gross motor skills. Most of the kids don't face problem with gross motor skills- such as running and jumping- but face difficulty in mastering the fine motor skills such as colouring, sorting, matching and writing. It is important to make sure your child is continually improving these skills. Here are some educational activities to try at home to build up the fine motor control.

माँ तू कितनी अच्छी है, मेरा सब कुछ करती है

मुझे मुझे जब लगती है, खाना मुझे खिलाती है।

जब मैं गंदा होता हूँ, रोज मुझे नसलाती है।

जब मैं रोने लगता हूँ, चुप तू मुझे कराती है।

माँ मेरे मित्रों में सबसे, पहले तू ही आती है।

Art & Craft

Origami Dog 🐶

Take one square paper. Now fold this paper half in a shape of ▲. Now fold the both edges of this paper to make the dog's 🦻.

Now you take two black bindis and make its two 👁️👁️. Now cut a red colour paper in the shape of 'U' and make a tongue 🗨️ and paste it on the dog's face. Now the dog 🐶 is ready.

The background is a vibrant, abstract composition. It features a large, multi-colored circle in the center, with segments of red, orange, yellow, green, and blue. Overlaid on this are various geometric shapes, including triangles and polygons in shades of orange, yellow, and blue. The overall effect is a dynamic, colorful collage.

THANK

YOU
