Dear Students

The beginning of new session might not have been with pomp and show, but the spirit of teaching learning continues with online school. We are proud the way you all transited to online classrooms and followed them earnestly. The summer vacations this time would not be ice creams, candies and cool pool, but time can be utilized in honing skills and interests.

It is easy to bloom, than to be a bud, but you are responsible young members of the nation and it's our duty to follow rules.

# Paper bag

Paper is a costly resource as it is produced by processing wood obtained by cutting trees. Teach your child to make bags out of old newspapers. They're trendy and a great way to teach your child to save trees and money.

## Things you require:

- ❖ Old newspapers
- ❖ Glue, scissors
- ❖ Old shoe lace or rope

**Time taken:** 30 minutes

**How to:** Fold 3 whole sheets of paper so it resembles a rectangle. Glue the left edge over the right. Make creases on all the sides of the rectangle. To make the base of the rectangle, fold the edges of both the sides inwards along the creases, approximately 3 inches. Fold the 2 flaps and glue them one over the other. Make holes approximately one inch from the top to insert a rope for the handle. Repeat this process on the opposite side as well.

**Note:** - Share the pic of this activity in whatsapp group on 4<sup>th</sup> June 2021 between 5:00 PM – 6:00 PM.
